

The following Afinia Label products are warranted to be free from defects in materials and workmanship. The warranty does not apply to print cartridges that (a) have been refilled, refurbished, remanufactured or tampered with in any way, (b) experience problems resulting from misuse, improper storage, or operation outside of the published environmental specifications for the printer product or (c) exhibit wear from ordinary use.

To obtain warranty service the cartridges must be above 80% capacity (20% or less used in normal operation). **The validity of warranty is examined by weight and will be valid beyond the manufacturing or warranty date printed on the cartridge label.**
