

Paper Kraft Brown Label Stock

Description

Paper Kraft Brown label material has been designed specifically for use in labelling of wine, beverage and premium food labelling applications where an authentic, natural and ecological look is desired. Made of tough 98µm paper it comes with an topcoated surface which is suitable for printing by usual CX printing engines.

Product Usage

Paper Kraft Brown labels are the ideal choice for labels printed on Primera's CX-Series Color Label Press where full process color is used to add impact and/or functionality to the label.

Proper testing in the final application environment is recommended especially when used near water or chemicals. As with all pressure-sensitive materials, this product should be tested thoroughly under end-user conditions to ensure it will meet the requirements of the specific application.
