

Paper Antique White Label Stock

Description

Paper Antique White label material has been designed as a high-quality wet strength paper specifically for use in labelling of all wine and beverage applications, as well as premium food labelling. Made of tough 130µm paper it comes with an topcoated surface which is suitable for printing by usual CX printing engines.

Product Usage

Paper Antique White labels are the ideal choice for labels printed on Primera's CX-Series Color Label Press where full process color is used to add impact and/or functionality to the label.

Proper testing in the final application environment is recommended especially when used near water or chemicals. As with all pressure-sensitive materials, this product should be tested thoroughly under end-user conditions to ensure it will meet the requirements of the specific application.
